I'm sorry, I don't. I have a 2:30 and 3:30. I can hop on a call at 4:30 from the car. Will that work?

Nhien and Elisabeth - does 2:30 work for you?

Hi Tina -

Do you have time at 230pm today?

Hi Daniel,

Can we schedule a time to chat this week so we can start the process to purchase 8x8 phones, move forward with your service and discuss the transition of moving from TierZero?

Thanks!

Tina
